PROFESSIONAL EXPERIENCE

OPERATIONS AND ADMINISTRATIVE COORDINATOR

March 2023 - Present

Self-Employed - Windsor, NC

- Manage daily operations for a private property portfolio, building organizational systems that ensure efficiency, compliance, and accountability.
- Leverage AI driven tools to streamline reporting, vendor communication, and project tracking, improving turnaround times and supporting smoother operations.
- Oversee financial administration, including tax payments, recordkeeping, and reconciliation, maintaining a 100 percent on time record while resolving discrepancies with local authorities.
- Implement streamlined processes for scheduling, documentation management, and vendor coordination, improving accuracy and response times.

OPERATIONS MANAGER / SENIOR ASSOCIATE EDITOR

November 2021 - November 2024

OutClique Magazine - Wilton Manors, FL

- Directed a cross functional team of writers, implementing project management techniques to ensure timely delivery of cover stories and feature content.
- Integrated AI driven software into editorial and operational workflows, streamlining content development, scheduling, and internal communication.
- Transformed unstructured operational environment by implementing documented processes that increased efficiency and productivity by 30%.
- Served as Director of Special Projects alongside editorial and operations leadership, coordinating multiple assignments and deadlines to support consistent publication success.
- Managed administrative operations including payroll, invoicing, and client billing using QuickBooks and Square, ensuring financial transparency, accuracy, and account reconciliation.

DIRECTOR OF PROCUREMENT AND STRATEGIC ALLIANCES**June 2020 - November 2021**

TierPM & WagPride - Fort Lauderdale, FL

- Developed and implemented the company's Supplier Diversity program with comprehensive documentation, achieving 50% increase in diverse supplier engagement within three months.
- Established Employee Resource Group program, creating detailed procedures for Diversity, Equity, and Inclusion (DEI) initiatives that contributed to a more inclusive workplace.
- Managed stakeholder relationships with 100+ suppliers, developing efficient systems for negotiating pricing, contract terms, and scope of work to optimize value.
- Secured strategic sponsorships through detailed data analysis and presentation of market opportunities to expand brand visibility.

BENEFITS ADVISOR**January 2020 - March 2021**

Aflac - Fort Lauderdale, FL

- Built a strong client base through strategic scheduling and follow-up, generating new business opportunities.
- Educated clients on insurance options using clear documentation and presentation of industry trends and product comparisons.

NON-PROFIT OPERATIONS LEADER**June 2019 - January 2020**

AIDS Healthcare Foundation - Fort Lauderdale, FL

- Led donation management and operational systems, as well as implemented inventory control procedures.
- Designed an organizational workflow that improved efficiency in processing and managing donations.

VISUAL MARKET MANAGER**January 2000 - April 2019**

Banana Republic - Various U.S. Locations (FL, GA, LA, TX, MD, VA, DC, AL)

- Managed complex operations for 40 retail locations across the Southeast United States, overseeing \$100M+ in annual revenue, and implemented standardized documentation and training processes that improved efficiency.
- Maximized profitability through detailed budget management, resource allocation, and implementation of cost-saving initiatives.
- Developed and mentored district and general managers through structured training programs, enhancing team retention and performance.
- Increased regional sales by implementing data-driven systems for inventory management aligned with customer preferences.
- Previous roles include General Manager (2002 - 2012) and Associate Manager (2000 - 2002).
